MEMBERS PRESENT – Scott Arnold, Jim Eriksen, Dick Hartman, Bob Humiston, Bud Jeffries, Pamela Lancaster and Lonnie Logan were present for the meeting.

CORRECTION DIRECTOR'S REPORT – Corrections Director Dave Arnold introduced Connie Pfiefer the new assistant corrections director. He stated she started August 12 and is doing a good job. He appreciates the help.

He thanked the county board on behalf of his department for the employee recognition day on Sunday. This means a lot to the employees.

He distributed the statistical reports to the board members and reviewed them. During July and August the daily average was 127 inmates. They booked 564 people in during this period. The work release numbers are down because most of the people are on pre-trial. The statistics on the offences are usually two per person.

He stated that jail standards will be checking in October and they will be holding their meeting in Grand Island October 23.

During the special legislative session it was decided that there would be a cap on the amount of money that the county will receive. He also informed the board that the safe keeping charge was at \$62.00 and now it is lowered to \$55.35 for the daily rate.

Jeffries stated that he discussed buying a truck for work release and they have located a used truck for \$17,000.00 and he thought that if they offered him \$15,000.00 the seller would accept it. Discussion was held. This would have to go out for bids because of the dollar amount. Mr. Arnold will work on requesting bids and setting a bid opening.

Jeffries questioned if the county was booking INS inmates. Mr. Arnold stated that if they are booked in the jail they are on local charges. INS is taking the inmates to Hastings and the Hastings facility is full.
